

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

AMERICAN MARINE CORPORATION,
doing business as American Hyperbaric
Center,

No. C 11-00636 WHA

Plaintiff,

**ORDER REGARDING PLAINTIFF'S
MOTION FOR RENEWAL**

v.

BLUE SHIELD OF CALIFORNIA,

Defendant.

This case having been transferred from the district of Alaska and recently assigned to the undersigned, plaintiff filed a "motion for renewal of motion for miscellaneous relief re: no grounds for removal under ERISA and no ERISA preemption." This motion seems to simply be an attempt to renotice a motion previously filed, but not decided, in Alaska. That is exactly contemplated by the reassignment order, which states that unresolved matters may be renoted for a hearing before the newly-assigned judge, so no "motion for renewal" is needed. In any event, the motion for miscellaneous relief is scheduled to be heard on **APRIL 21, 2011, AT 2:00 P.M.**, consistent with plaintiff's notice, and briefing deadlines are set accordingly by local rules.

IT IS SO ORDERED.

Dated: March 15, 2011.

WILLIAM ALSUP
UNITED STATES DISTRICT JUDGE
